WORLD TRADE CENTER®
SAVANNAH

WORLD TRADE CENTERS ASSOCIATION

All partners of WTCSav gain access to the World Trade Centers Association (WTCA), an unparalleled network of more than 300 World Trade Centers in nearly 100 countries linked to one million associated businesses and reciprocal benefits through the offices around the globe .

FOREIGN-TRADE ZONE 104

The Foreign-Trade Zone program expedites and encourages foreign commerce by lowering the costs of U.S. based operations engaged in international trade thus providing a secure, efficient and profitable way to compete effectively in domestic and global markets. WTCSav is the grantee of FTZ 104.

The FTZ program allows the U.S. to achieve its trade policy goals, including exporting promotion, while at the same time supporting domestic job growth and economic development. Companies operating FTZs have become a thriving sector in the U.S. economy.

TRADE & MARKET RESEARCH

WTCSav provides up-to-date customized information by region, including industry, market conditions, government regulations and business culture. We perform market research and analysis, both domestic and international, tailored to meet specific needs. We also provide detailed market reports on many countries and most industries in the Savannah region.

GLOBAL EDUCATION PROGRAMS & NETWORKING EVENTS

WTCSav offers practical international trade education covering general to specific global issues through a series of seminars and networking events. Centered on international business, trade and compliance, these courses offer individuals, companies and organizations practical skills needed to succeed in today's competitive global market and networking events to make connections with others of similar business ambitions.

TRADE ADVOCACY & BUSINESS MATCHMAKING

WTCSav offers business matchmaking & professional referrals, in which, members of our professional team work with your business to address specific goals and objectives, which enable the potential for success internationally. We also offer professional referrals and trade leads both domestic and international through our vast network of domestic & global contacts.

TRADE MISSIONS

WTCSav plans and orchestrates strategic business trade missions, as well as, promotes and facilitates missions led by local, state and federal entities. WTCSav acts as a central resource and hub for organizations and partners taking part in outbound missions and receiving inbound business delegations. We can provide purpose-built & tailored agendas, ensuring objective of mission, adherence to protocols and requirements of the international marketplace.

WTCSAV EXHIBIT & CLUB FACILITIES

In partnership with regional facilities, WTCSav can offer exhibit, meeting, dining, boardroom, ballroom and auditorium space to our partners and guests for various types of business gatherings. Business meetings and networking forums can be arranged. Furthermore, in that WTC services are reciprocal, partners have access to similar such services at WTCs around the world.
